Rosina
The Authentic Taste of Italy

Ingredients Make the Difference

Premium quality cuts of meat delivered direct to us. We grind it fresh each day.

Fresh whole eggs. Pasteurized, refrigerated, and delivered to us daily.

Imported Pecorino Romano, made only from sheep's milk, freshly ground in our kitchen.

No matter what the recipe, quality ingredients make the difference between a good meal and a great one. That's why we use the same ingredients you would; and make our meatballs so fresh and authentic tasting your customers will think they were made from scratch. But then again, we did make them from scratch.
