

# PASTA

*Rosina*  
The Authentic Taste of Italy

## *Ingredients Make the Difference*

Finely milled and extra fancy enriched Durum and Semolina wheat flours.

Fresh whole eggs. Pasteurized, refrigerated and delivered to us daily.

Pecorino Romano cheese imported from Italy. Ricotta made with whole milk and cream.

No matter what the recipe, quality ingredients make the difference between a good meal and a great one. That's why we use the same ingredients you would; and make our pasta so tender and authentic tasting your customers will think they were made from scratch. But then again, we did make them from scratch.
