2 Pack Assorted Breadsticks

Individually wrapped breadsticks

- *Onion*
- *Sesame*
- *Garlic*
- *Plain*

Our breadsticks are available in the most popular flavors (garlic, onion, sesame seed and plain) individually packaged for safe handling. The longer 4" length is value to the restaurant as customers tend to open less packages per meal.

Hotels, restaurants, country clubs, healthcare and educational institutions can offer these delicious breadsticks as a complement and/or alternative to the cracker basket.

- No trans fats
- Great taste, baked to perfection
- Baked with 100% Natural Ingredients
- Individually wrapped 2-pack minimizes waste, maximizes freshness
- Made from the finest natural ingredients, no additives or preservatives
